Plastic furniture legs and bed base hardware

ABOUT LUNIVA PLASTIK

Luniva Plastik

Luniva Plastik is a manufacturer of plastic furniture legs and furniture components based in Türkiye. We supply furniture manufacturers, importers, wholesalers and distributors.

We produce plastic furniture legs and furniture hardware – the small components that every sofa, armchair and divan bed base depends on. Our range includes the Armut, Bohem, Eymen, Bellona and Zirve leg series, as well as handles, stoppers and locks, in standard colours such as black, brown and white and, for selected models, chrome and gold. Our standard production uses 100% recycled plastic; virgin plastic is available on request.

Material and quality

- ✓ 100% recycled polypropylene (PP) as standard
- ✓ Virgin raw material on request
- ✓ No recycled food packaging is used
- ✓ M8 bolt on threaded models
- ✓ Made in Türkiye
